**ANTECEDENTES DE LOS CONTRATOS DE
EXPORTACIONES CHILENAS DE CONCENTRADOS
Y CATODOS DE COBRE /
CHILEAN COPPER CONCENTRATES AND CATHODES
EXPORT CONTRACTS INFORMATION**

Características de los contratos de exportación de concentrados 2009 Characteristics of 2009 concentrates export contracts

Crterios y definiciones / Criteria and definitions:

1. Tipo de Contrato / Type of Contract:

La clasificación es la siguiente / The classification is the following :

Tipo / type	Contratos incluidos / Included contracts
Abastecimiento Anual (1)	Anual / Annual
Abastecimiento Evergreen (2)	Evergreen
Abastecimiento Largo Plazo (3)	Largo plazo / Long term
Spot (4)	Spot

- (1) Venta con entrega durante todo el año. Normalmente, tienen los términos acordados para todas las cuotas.
/ Sale with delivery during all the year. Normally, they have the terms agreed for all the quotas.
- (2) Venta con compromiso de entrega superior a un año, con vigencia sujeta a renovación periódica por las partes. / Sale with commitment of delivery over a year, with duration depending to periodic renewal by the parts.
- (3) Venta con compromiso de entrega superior a un año, donde se fija la mayoría de las condiciones dejando algunos términos comerciales bajo negociación periódica durante la vida del contrato.
/ Sale with commitment of delivery over a year, where the majority of the conditions are fixed leaving some commercial terms for periodic negotiation during the life of the contract.
- (4) Venta ocasional. / Occasional Sale.

2. Q/P

Período de preciación (Quotation Period), período que se toma como referencia para efectos de la valoración del producto./ Quotation Period, is the period taken as a reference in order to appraise the product.

En los contratos evergreen la relación contractual está siempre vigente, a diferencia de los contratos anuales que duran un período. / Evergreen contracts are always in force, meanwhile annual contracts last for only one period.

Los contratos de abastecimiento de largo plazo (más de un año), no necesariamente incorporan en el contrato inicial los Q/P; estos se establecen posteriormente./ Long-term supplies contract (more than one year), do not necessarily add Q/P to the initial contract; these are established lately.

Otra situación que genera desconocimiento inicial del Q/P a utilizar, corresponde a los contratos que incorporan una cláusula de opción de fijar el Q/P durante el período de vigencia del contrato./ Another situation leading to an initial disregard of the Q/P to be used, corresponds to contracts which incorporate a clause with the option to fix Q/P during the contract duration period.

Para efectos de agregar la información de los contratos se han sumado los Q/P según la siguiente tabla:/ To add information of the contracts, Q/P have been added according to the following table:

Q/P	Definición/ Definition	Agrupados bajo:/ Grouped under:
A + 1	Primer mes después del arribo / First month upon arrival	A + 2
A + 3	Tercer mes después del arribo / Third month upon arrival	A + 3

M / M + 2	Segundo mes después del M / Second month following to the M	M / M + 2
M / M + 4	Cuarto mes después del M / Fourth month following to the M	M / M + 4

Definiciones / Definitions:

M: Mes contractual de embarque / M: Contractual month of shipment

Nota: Las exportaciones de concentrados informadas a la fecha, están sujetas a eventuales modificaciones que podrían realizar los exportadores./ Note: Concentrates exports informed up to date, are subject to eventual modifications by the exporters.
