2. Q/P

Período de preciación (Quotation Period), período que se toma como referencia para efectos de la valoración del producto./ Quotation Period, is the period taken as a reference in order to appraise the product.

En los contratos evergreen la relación contractual está siempre vigente, a diferencia de los contratos anuales que duran un período. / Evergreen contracts are always in force, meanwhile annual contracts last for only one period.

Los contratos de abastecimiento de largo plazo (más de un año), no necesariamente incorporan en el contrato inicial los Q/P; estos se establecen posteriormente./ Long-term supplies contract (more than one year), do not necessarily add Q/P to the initial contract; these are established lately.

Otra situación que genera desconocimiento inicial del Q/P a utilizar, corresponde a los contratos que incorporan una cláusula de opción de fijar el Q/P durante el período de vigencia del contrato./ Another situation leading to an initial disregard of the Q/P to be used, corresponds to contracts which incorporate a clause with the option to fix Q/P during the contract duration period.
